

MEMORANDUM

TO: Superintendents and Principals

FROM: Indiana Department of Education

DATE: August 27, 2010

SUBJECT: Department Organizational Changes and Updated Contacts

The Indiana Department of Education recently implemented some organizational changes to improve internal and external communication as well as the overall quality and effectiveness of service.

These structural modifications are outlined below. Please take care to update your IDOE contact lists, as many roles have changed.

Under the new structure, four assistant superintendents will direct all offices within the department.
